Web Design **Final Project | Memorial Site for Stephanie Hurley**

This site is will be a memorial to Stephanie Hurley and a key method of spreading information about the fundraising that continues in her name for a memorial scholarship fund. Stephanie was my sister-in-law's younger sister, who passed away at the age of 23.

User Stories

1: Friends/Family

Name: Krystal, Age 26, Stephanie's childhood friend

- She visits the site for information on events going on for the scholarship fund. She originally helped in creating the scholarship fund and website.
- Needs to know: dates and times of events to pass on to friends/family. Will also use the facebook/twitter links to pass on to friends as well.
- Comes back to the site as needed for updated info.

2: Friends/Family

Name: John, Age 55, Local business owner

- He visits the site after being contacted by the Fundraising Committee to donate to the fundraiser scholarship events (two are held per year)
- Needs to find more detailed information about Stephanie and the scholarship along with what his donation will be used for
- He is interested in including his logo on the site if he makes a donation and/or T-shirts for the road race fundraiser
